

Athelstane Park-n-Ride Area

To hookup with the DunGood Riders ATV trail system, you can unload in Athelstane Wisconsin.

Depending on which way you are traveling - take County Road [A] to Athelstane.

Once you reach Athelstane - turn left at the intersection. The road will curve to the right, then the left. Just before the road curves again to the right - there will be a side road off to the left. This is where you want to turn.

The road is called - Eagle River Road - there is a very small parking sign on County A road just before this turn. Go slow or you will miss the turn.

Once on Eagle River Road - go past the next road and look for a field and some ATV signs on the right side of the road. This is the ATV parking and unloading area. The trail is on the North side of the trail and you can hit them once unloaded. The unload area is just an open dirt area that you can park your vehicle off the road.
